

## Harvia 20 Pro / Pro S

### For vigorous bathing

The new Harvia 20 Pro gives a good hot bath in small and medium-sized saunas.

The cast-iron glass door and the sturdy fire space cover with a maximum thickness of 10 mm ensure durability. This model also features adjustable legs to facilitate installation and, for example, help in adjusting the height of the smoke outlet. The stove can be equipped with a side or pipe mounted water heater.

The outer casing of the stove is painted graphite black. Harvia 20 Pro is also available with a stainless steel outer casing (Harvia 20 Pro S).

The size of the sauna room is 8–20 m<sup>3</sup> and the maximum amount of stones is 40 kg.

## Technical information:

Model	WK200	WK200ST
Sauna room min m <sup>3</sup>	8	8
Sauna room max m <sup>3</sup>	20	20
Stone space max kg	40	40
Dimensions/mm width	430	430
